# Plans should be short term and tactical

What to do this week; what to do today

## Goals are outcomes, not progress

Not “work on project 1”, but “finish 7-segment controller”

## Don't wait for favorable conditions

Don't spend time; invest time. You're the boss!

You are all 100% capable of getting an A

Any/all of you can change the world

You choose!

You will never regret working hard

Climbing out of the Valley of Despair

Peer support: Work together, help each other.

# Be honest with yourself

If you choose not to make progress, know that it's a choice
